

Engaged & Moving House!

After another successful term, I thought it was about time I produced a small newsletter for you all so that I can keep you updated on events.

Moving House

Some of you may know that Becky & myself have been looking to buy a house together and now that it is becoming a reality. We have recently got engaged and have found a house in Shotton, Queensferry and the transaction appears to be going quite smoothly so far. It is anticipated that we will be in our new house by the beginning of December.

While we are moving house there may be some slight alteration to my teaching timetable for a week but then lessons will resume as normal.

I appreciate that Shotton is about 7 miles out of Chester and as a result some of you may not be able to continue coming to my house for lessons. I hope that most of you are able to continue with lessons even though I have moved. There is a cut off slip at the bottom of this newsletter and I would be

grateful if you could all return this to me indicating whether or not you will be continuing lessons with me.

Music Tuition Yahoo Group

I have recently set up a Yahoo group on the internet which so far 10 of you have joined. I realise that some of you may be put off from joining it if you don't already have a yahoo account but this is not necessary for joining just the mailing list. It will be most effective if all my pupils are members so if you haven't yet subscribed then please do so either by replying to the email I sent or visiting the web address given below.

Christmas Piano Concert

For those of you that performed in my last concert you will be pleased to know that I am holding my second concert for my pupils to perform at. This concert will be on Saturday 9th December at 2:15pm in the cloister room of the Cathedral.

It would be lovely to have all 30 of my pupils performing at this concert

and I would be grateful if you could indicate on the form below whether you would like to perform.

As the venue is in the Cathedral I have been asked to provide a contribution to the Cathedral for using the room. I would be extremely grateful if you could possibly help towards this by making a small donation of between £2 and £5 so that I do not have to charge for tickets to the event to cover the rental donation. If I received this amount form each of my pupils/pupils parents I would be able to donate in excess of £60.00 to the Cathedral. If your child/you are going to perform in the concert and indicate the same on the attached form I would be grateful if you could enclose your

donation to the event as well.

As an incentive... I will be providing mince pies and tea and coffee for the occasion which I anticipate will be as successful as the last.

SPECIAL POINTS OF INTEREST:

- *2 pupils are taking ABRSM exams this term. Good luck to both of them!*
- *Possibility of a concert for pupils each term as the last was such a huge success.*
- *Donations towards the rental of the cloister room at the cathedral will go towards paying for the new song school.*
