

Piano Teacher

I AM AN EXPERIENCED MUSIC TEACHER BASED IN CHESTER, OFFERING PIANO LESSONS TO ALL AGES AND ABILITIES IN THE CHESTER AREA, NORTH WALES AND ON THE WIRRAL. MOST OF MY TIME IS SPENT TEACHING PIANO IN LOCAL SCHOOLS HOWEVER I AM ALSO AVAILABLE AS AN ACCOMPANIST AND PIANIST FOR WEDDINGS AND CORPORATE EVENTS. I CAN PROVIDE TUITION IN PIANO AND MUSIC THEORY AT MY HOME STUDIO IN HUNTINGTON OR ONLINE VIA SKYPE.

How much do lessons cost?

The current lesson fee is **£30/hour** for lessons at my Home Studio in Huntington. Most students have 30 minute lessons at **£15 each** though other lengths may be available depending upon the individual student and their situation.

How can I pay for my lessons?

Payments can be made by bank transfer. At the beginning of the month you will be invoiced for that month and payment is due within fourteen days.

How many lessons will I need?

For most students, piano tuition is ongoing. The initial lesson is a consultation where we can get to know one another and decide together what your individual learning needs are and what you hope to achieve from taking lessons. The initial consultation lesson is chargeable at the standard rate but there is no commitment at this point to come back for further lessons.

If you decide to continue, then you need to book a series of lessons one calendar month at a time.

What music will I need?

As lessons are tailored to the individual learner then the music you need really depends upon you. If you have had lessons before then bring any music you have with you to your first lesson and be prepared to demonstrate your current ability.

How often do I need to practise?

Every day is the best answer; however we all lead busy lives so it's up to you to do as much as you can to make your lessons worth while. You only get out of it what you put in.

Can I cancel or change a lesson booking?

If you give notice of 24 hours or more before your appointment then it may be possible to re-arrange lessons or if the lesson has to be cancelled then no charge is due for that lesson. If you give less than 24 hours notice and cannot attend your lesson, then you will be charged the whole lesson fee.

Wedding Pianist

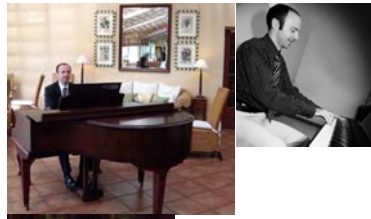

LET ME TAKE CARE OF THE MUSIC AND ENTERTAIN THE GUESTS AT YOUR WEDDING, CIVIL CEREMONY, DRINKS RECEPTION OR WEDDING BREAKFAST.

If there is no piano at the venue this is no problem as I have a white Roland FP4-F stage piano with portable amplification which is ideal to suit different venues.

Having played the piano for over 20 years, my repertoire covers a wide range of styles from classical to blues, soul and jazz and he tries to blend a variety of these into every performance. As a guide price I would normally charge about £90 for an hour ceremony or £150 for a two hour reception. A 25% deposit secures the booking. The price varies though depending upon your exact requirements.
